

8 Channel Controller On / Off Control Module

Features:

- 8 channel 220V output, max 8A /channel
- Power control for light, socket and any other electrical appliance.
(power must be within an appointed range)

Model	S-ECB-DT8A
Working voltage	220VAC
Electric current	Standby<20mA / working<100mA
Rated output	8x220VAC/10A
Operating temperature	-5°C ~ 50°C
Dimension	144x93x60mm
